- The builder is responsible for approving the final magazine details by the designated date and time.
- Change fees may apply.

Homearama App

- The 2025 Homearama App is live and will automatically update for 2026.

Sponsors

- Homearama relies on sponsors to host the event.
- Sponsorship Benefits:
 - Sponsors have the exclusive right to exhibit in a custom Homearama garage. BIA will coordinate with both the sponsor and builder to ensure a smooth collaboration.
 - Sponsors can choose their exhibit location, but builders must ensure a 10 x 10 space is available in the garage. Builders will be notified by July 1, 2026, if a sponsor requests to use their garage.
- Vendors are encouraged to participate as sponsors.

Staffing

- Homes must be staffed during all show hours.
- Schedule staff and volunteers accordingly.
- At least two staff members are recommended for busy times to greet and check in attendees.
- Provide staff with a cheat sheet of important information about the home.

Entrance & Exit

- Attendees will enter through the front door and exit through the garage unless approved otherwise.
- Set up a check-in table at the entrance with at least two staff members present.

Tickets

- **Ticket Prices:**
 - \$15 online
 - \$20 at the door (cash or Venmo)
- Attendees must show proof of purchase or a printed ticket at the door.
- Ticketing instructions will be provided prior to the show.

Marketing

- Cross-promotion benefits everyone involved.
- Paid Media: Builders will have the chance to engage in paid media opportunities based on the completion of the home. However, this will depend on when the media opportunities arise, and not every builder is guaranteed a paid media opportunity.

Special Events

- Consider hosting special events like food trucks or prize drawings during the show.
- If you are having your event sponsored the sponsor must be a BIA Member.

Parking & Signage

- Plan parking and traffic flow for the event.
- Directional and no-parking signs will be provided, but builders must set them up.

Ropes & Stanchions

- Limited rope and stakes are available for lot boundaries; request if needed.
- No inside stanchions are available.

Security

- Builders are responsible for the security of their homes.
- It's recommended to have security cameras and a fully staffed home for safety.

Insurance

- Notify your insurance company about participating in the tour and provide a Certificate of Insurance (COI) for at least \$1 million liability.

Accidents & Safety

- Ensure the home is safe and post necessary signage to prevent accidents.
- Follow protocols for any incidents.

Stroller & Pet Policy

- No strollers or pets are allowed, except for service animals.

Informational Flyers

- Prepare flyers listing subcontractors, suppliers, and paint colors for attendees.

Neighbor Notifications

- Inform neighbors about the event with postcards or flyers two weeks in advance.

Restricted Areas

- Clearly mark any areas not included in the tour with ropes or signs.

Public Restroom

- Arrangements for public restrooms are the builder's responsibility.

Cleaning & Supplies

- Builders must clean their homes and provide garbage cans at entry points.

Rain Preparation

- Have towels and mats ready to keep floors dry and manage umbrellas.

Refreshments

- You can choose to serve refreshments but avoid serving alcohol.

Busy Opening Hours

- Expect attendees before opening time; don't feel pressured to let them in early.

Final Call for Exit

- Remind guests 15 minutes before closing time that the doors will be closing.

Group Communication

- BIA will start a group text during the show for real-time communication.
