

Friday, February 24, 2023

Dear Association Member,

As you may be aware, Humana has announced they will be exiting the Employer Group Commercial Medical Market over the next 18-24 months. Although you are still insured (until Mid- 2024 if you renew in 2023 before October), it is never too early to think about your options going forward. Therefore, we are reminding you of the health plan available to you as a member of this association.

Shepherd Insurance has created a customized health plan for your association. Administered by Anthem, this plan is exclusively available to members of this association. This is a competitive option to employers with two or more employees and/or owners. We are passionate about helping you care for your employees and your company.

We are here to help answer any questions about your current plan or any competitive options available to you. Contact us today for a complimentary evaluation of your options as you move through this transition. Call **1-800-846-0204** or email **info@shepherdins.com**.

Whatever your needs, Shepherd Insurance has the best-valued solutions available for your business. Work with our team to leverage the relationships we have with benefits companies throughout the marketplace to help you through this transition.
